REMARKS

Applicants respectfully request entry of the above amendments to the specification as relating to formal matters only. The requested changes to the specification do not effect the completeness of the disclosure of the present invention and do not effect the claims as allowed by the Examiner. Figures 9, 10, and 12 which are herein deleted from the application are unnecessary to the fullness of the disclosure of the present invention and removal of references to those Figures in the specification is intended to improve the readability of the application prior to issuance.

The Examiner is invited to contact the undersigned if further information regarding the requested amendment is needed.

Respectfully submitted,
